

Title: Appendix A.1 – Safety, Environmental and Quality Policy

Policy:

L.U. Simon Builders Pty Ltd accepts that providing a safe and healthy workplace and an impact controlled environment within the construction industry is of the utmost importance.

L.U. Simon Builders Pty Ltd is committed to ensuring the standard of OHS is continually developed & improved, committed to the protection of the environment and our Quality systems are aimed at being continually improved.

L.U. Simon Builders Pty Ltd will manage its operations and facilities in such a manner to ensure, as far as is reasonably practicable, that the highest standards of health and safety and environmental controls and processes are maintained in accordance with the relevant legislation, regulations, compliance codes, standards and any other applicable compliance requirements.

L.U. Simon Builders Pty Ltd will encourage and promote co-operation and communication between employers and employees. We recognise the value of involving employees in the formulation and implementation of health and safety, environmental and quality controls and processes.

L.U. Simon Builders Pty Ltd accepts the responsibility to ensure, so far as is reasonably practicable, a workplace that is safe and without risk to health by providing and maintaining this IMS and associated outputs.

L.U. Simon Builders Pty Ltd is committed to ensuring customer requirements, as well as regulatory requirements, are determined and are met with the aim of meeting our clients contractual requirements.

Through reviewing, monitoring and updating this IMS and associated processes, **L.U. Simon Builders Pty Ltd** will continually improve their OH&S, environmental and quality practices. This policy statement will be reviewed annually.

This policy statement shall be communicated throughout the organisation and to all interested parties (including employees, contractors and clients) involved in projects undertaken by **L.U. Simon Builders Pty Ltd**.

L.U. Simon Builders Pty Ltd will on an annual basis (or when a significant change occurs in the business), establish measurable objectives and targets to ensure continued improvement aimed at elimination of work-related injury, illness & environmental impact, and continual improvement in quality.

In signing this document the Director will endeavour to comply with its Integrated Management System, including all of its policies.

This policy statement will be made publicly available on the **L.U. Simon Builders Pty Ltd** website & displayed on all construction sites.
